

Ahenora

14 days free

The whole household, in one place.

And far less to remember.

The calendar, the tasks, the meals, the shopping and the school letters — shared with everyone at home, on every phone.

What Ahenora does for your home

One shared calendar

Everyone's week at a glance, and reminders reach the right person.

Snap it, sorted

A school letter, a recipe, a shopping list: take a photo and Ahenora puts it where it belongs.

Meals and shopping

Plan the week's dinners and the shopping list writes itself.

Chores and stars

Routines that stick for the children, with rewards they earn.

Tasks and family chat

Hand a task to someone and see it done, without the nagging.

Plans

Also yearly, up to 33% cheaper.
