AHENORA

Everything a household has to remember

One shared calendar

The next seven days at a glance, and what is next up.

The week's meals

Plan the dinners, or ask the AI for a recipe.

One shopping list

Everyone adds, anyone ticks. Still there with no signal.

Chores and stars

Stars for chores done, a treat to earn, pocket money.

Paperwork, sorted

Snap a school letter and it becomes a task. Passports and insurance in the vault.

One home or two

Co-parenting? The calendar shades whose week it is. On your own? Nothing needs a second adult.
